

Preston Branch held an Afternoon Tea supported by Pam (pictured) whose crafts raised £314 which helped make the final total for the day just over £800.

The Pickering branch came together to raise money for the Yemen appeal, raising £352 at their street collection which was organised rather quickly so a huge well done to the group for pulling together for the appeal.

Join us this April for our biggest and best London Marathon yet!

We are going to have over 120 #TeamSave runners in next year's London Marathon and they are aiming to collectively raise over £200,000 to help transform the lives of children around the world.

London's atmosphere on race day is quite simply electric and not one to be missed. We'll be out in full force cheering on our runners as they run the famous 26.2 miles for Save the Children. We are looking for volunteers to join #TeamSave for the big day to cheer on our runners and give them the support they need to get over the finish line. Each runner must raise a minimum £1,895 and we want to ensure their day is as memorable as possible – can you help us?
